Summary:

The EXPLORER is Huntsman's flagship model. Based on the Crusader hull, the Explorer goes that extra step with the comfort and luxury of total weather protection in an attractive, yet very functional hard-top. Built with the same commitment to quality throughout as all Huntsman boats are, the Explorer brings a whole new experience to quality boating. With plenty of headroom, sliding side screens and the first hard-top to feature an opening centre screen, combined with the fantastic on-water performance, making this CSB Huntsman a popular choice for NZ boat owners. We can arrange delivery throughout NZ. Call Nigel or John for further details.***
